The Board discussed getting plans and a proposal together for metal signs to be placed in the parks that would show the names of each park in the city.

CITIZEN COMMENTS:

None.

NEW BUSINESS:

Chair Pruitt brought forth a proposal from Citizen Jennifer Miller. Mrs. Miller brought a proposal forward during the September 2nd City Council meeting asking the City to consider placing a fence in Civic League Park and Chair Pruitt stated at the meeting that she would present it here to the Park Board for discussion and possible recommendation. The Board discussed the addition along with the “pros and cons” of adding a fence. It was decided that they would need to start with some input from Public Works Director Beetchenow before proceeding further.

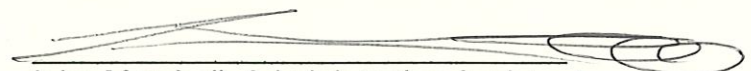

CP Danison began discussion of the Comprehensive Park Plan and the changes he had made to date. There were minor corrections and changes to his revision from the Board, including grammar and suggesting updates to pictures.

OTHER BUSINESS:

None.

PC Cleveland moved to adjourn the meeting and PC Little seconded the motion. Chair Pruitt adjourned the meeting at 6:11 PM.
