From: Ken Mears, Public Works Director

Date: June 21st, 2021

Subject: **Resolution No. 28-2021** Approving Public Works Contract with Proline Concrete Cutting, LLC. for Jasmine Street Driveway Entrance.

The attached **Resolution 28-2021, A Resolution of the Omak City Council Approving the Public Works Contract with Proline Concrete Cutting, LLC. for Jasmine Street Driveway Entrance,** is forwarded for your consideration.

The Jasmine Street TIB project was finished, and a resident wanted to have a driveway entrance installed to their field.

After reviewing the request by City Infrastructure Committee, it was decided to have it done in the spring of 2021.

We reached out for multiple quotes, but only two contractors submitted them to us on the install. Discussions with Proline Concrete Cutting, LLC, along with the Scope of Work, have been completed for a quote of \$9,485.00.

I recommend this resolution.

MEMORANDUM

To: Omak City Council
Cindy Gagné, Mayor

From: Ken Mears, Public Works Director

Date: June 21st, 2021

Subject: **Resolution No. 29-2021** Approving the Purchase of Grinder pump.

The attached **Resolution 29-2021, A Resolution of the Omak City Council Approving Purchase of Grinder Pump for Wastewater Treatment Plant**, is forwarded for your consideration.

The belt press room for processing treated wastewater has a grinder pump for the incoming waste. It has been in service since the original construction of the belt press operation building.

The grinder pump is a direct replacement, and we received three quotes from vendors. One quote is for a technician to install and perform a startup, and the other lower quote would require us to retrofit the pump configuration. JWC Environmental has quoted for just the pump that we could install ourselves. And since it is a direct replacement pump, the staff is confident and trained to perform the installation work therefore recommending its purchase.

I support this Resolution and recommend its approval.

RESOLUTION No. 29-2021

**A Resolution of the Omak City Council Approving the Purchase of Grinder Pump
for the Wastewater Treatment Plant**

WHEREAS, the Sewage Treatment Plant needs to replace the grinder pump at the Waste Water Treatment plant: and

WHEREAS, three quotes were received for the needed equipment: and

WHEREAS, JWC Environmental provided the lowest priced quote for a direct replacement of the current pump.

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Omak, do hereby approve the purchase of Grinder Pump from JWC Environmental as attached in Exhibit "A", in the amount of \$15,493.93.
