Chief of Police

Memorandum

Date: March 7th, 2022

To: Omak City Council, Omak Mayor Gagné

From: Chief Daniel Christensen

Subject: Resolution Number 19-2022

The police department is replacing the “chief” vehicle in accordance with the replacement schedule established under the Equipment Replacement and Repair fund. Prior to my role as Chief of Police the “chief” vehicle a Dodge Avenger was a prior chief’s vehicle and was transitioned to the detective position. To clear up some confusion on the description of the vehicle. The vehicle has exceeded its 10 year cycle and is ready to be replaced.

As Chief of Police I have selected a Ford Ranger for several factors. Cost of acquisition is lower than a police responder or interceptor vehicle. It will allow for a change in expected police vehicle for opportunities for surveillance. The vehicle will also allow for deployment of equipment, transport of larger items that a “patrol car” does not allow for. The vehicle is a club cab.

The vehicle will need some equipment installed, such as a storage drawer system, minimal red and blue lights, and siren. A radio will be recycled. This purchase is currently funded and we expect to be under budget on this acquisition. These purchases will be separate.

This purchase is through the King County Directors Association that we are members of. The funds have been appropriated for 2022 for this vehicle replacement. I recommend this purchase.

Cost is \$32,985.00

Tax is \$2,770.74

The total cost with tax is \$35,755.74

RESOLUTION NO. 19-2022

A RESOLUTION OF THE OMAK CITY COUNCIL APPROVING A PURCHASE AGREEMENT WITH KING COUNTY DIRECTOR'S ASSOCIATION FOR PURCHASE OF A FORD RANGER PICKUP.

WHEREAS, the Police Chief has determined the need to replace the chief/detective vehicle in accordance with the ER&R schedule, and

WHEREAS, the replacement of the detective vehicle by a truck will be a more effective use, and

WHEREAS, the Police Chief has determined the availability of a utility detective vehicle will aid in non-traditional response capacity, and

WHEREAS, the Department has evaluated different brands of equipment for operation, price, and serviceability; and

WHEREAS, the KCDA purchasing cooperative offers savings over state contract pricing, and

WHEREAS, the City of Omak entered into cooperative agreement with the King County Directors Association by resolution 50-2010, and

WHEREAS, the Revised Code of Washington, Chapter 39.34 encourages the use of cooperative agreements to increase the efficiencies of local governments.

NOW, THEREFORE, BE IT RESOLVED BY THE OMAK CITY COUNCIL, that the purchase Agreement with KCDA, attached hereto as Exhibit "A", for the purchase of a 2022 Ford Ranger, is hereby approved, and the mayor is authorized to effect all necessary action for the purchase of this equipment.
