Subject: Resolution 23-2023 - Sunrise Garbage Collection and Disposal

---

**The Attached Resolution 23-2023, A Resolution of the Omak City Council, Approving the Garbage Collection and Disposal Contract with Sunrise Disposal, Inc.,** is forwarded for your consideration.

Our Current contract with Sunrise Disposal is expiring the end of February. Sunrise Disposal has long standings with the city and is best positioned to continue our needed services. The terms and conditions of the agreement are unchanged, with the exception of contractor provided 32-gallon carts and updated service fee's.

The Initial term of the contract is 5 years with the option to renew for a two additional 5-year terms by mutual agreement. The service rates were increased approximately 8% above the 2022 rates. Consideration of these increases are captured in the City's 2023 Budget and 2023 Fee Schedule. Future fee increases are tied to a consumer price index.

The State does not prescribe any thresholds or processes for purchased service contracts. This contract is a result of mutual negotiations with the city's long-standing collection and disposal contractor.

I recommend the passage of this Resolution.
