News from our Mayor

Our community is such a special place to live and do business. Part of the reason for that is the work done behind the scenes by people who are willing to step up and serve on one of the many committees, commissions or boards that shape this community. The time commitment is generally very minimal. You may not have to live in the city to participate. I am asking for people with some extra time, with training or expertise and a sincere desire to be of service to our community to come forward and volunteer.

The Boards, Commissions and committees we have are:

- The Park Board
- Planning Commission
- Civil Service Commission
- Building Code Appeal Board
- Library Board
- Tree Board

Stop by City Hall and find out about the specifics of any of the positions that you are interested in. You can find out the current meeting schedule and attend a meeting prior to making any application or commitment.

Thank you for your consideration!

Cindy Gagne
Mayor
