Civic League Park is the City's oldest park. It's located at 20 S. Ash Street next to the Public Library in downtown Omak. This park has restroom facilities and playground equipment. A Farmer's Market is held in this park every Tuesday beginning mid-June and running through October.

Eastside Park is located in East Omak directly across the river from downtown Omak. The park is home to the Stampede Arena. The 2nd weekend in August, this Park is transformed to host the annual Omak Stampede. The park also contains a seasonal swimming pool, seven baseball fields, four soccer fields, four tennis courts, two basketball courts, a variety of playground equipment and an enclosed skate park. A 68 space RV Park is also located within the park and an enclosed dog park. A Veterans Memorial Garden, picnic shelters with barbeque grill, restroom facilities and a half mile paved fitness trail are located here.

Walking Paths

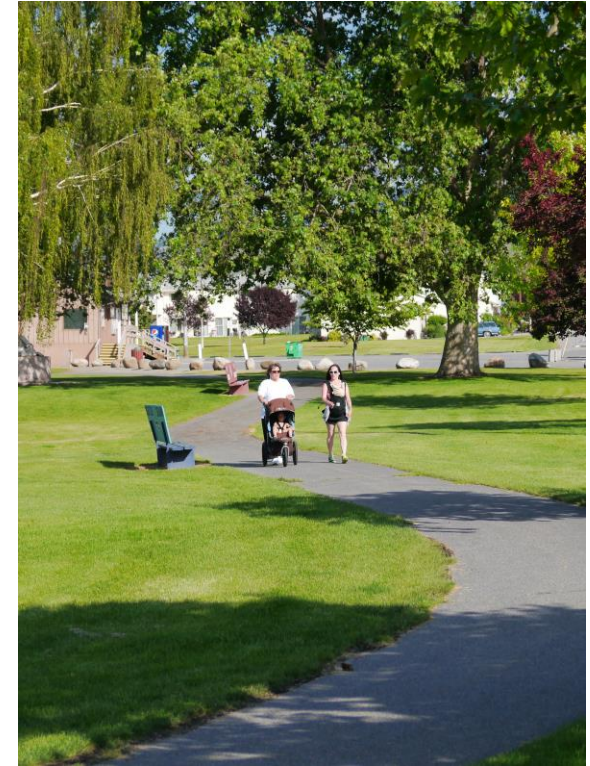

A guide to walking paths and parks in Omak. Paths are marked on the map and connect to the 13 parks in Omak and points of interest. They include quiet city streets connecting parks and various features of the city, and two riverside paths on sections of the river dike open to the public. Please enjoy these paths responsibly. Put litter in containers, stay on the pathways, and leash your pets.

The City of Omak owns and maintains approximately one hundred and five acres of park and recreation property with another 220 acres of undeveloped open space. Omak's park lands include several small green spaces that are under a half-acre in size. They play an important role in the overall park system by providing beauty and enjoyment to residents and visitors. The rest of Omak's parks form a vital core of recreation opportunities in the area.
