

**Contractor:** JR Construction

**Owner:** City of Omak

**Construction Notice Letter**

**Date:** July 7, 2025

Dear **Resident**,

This letter serves as an official notification that construction activities will soon commence at **Central Ave, from Fir Street to Cedar Street**. These activities are part of ongoing efforts to improve the infrastructure and enhance the overall living conditions in the area.

**Project Details:**

The construction work will begin on **July 9, 2025**, and is expected to last approximately **15 weeks**. During this period, residents may experience occasional noise disturbances and temporary adjustments to road access in the vicinity. We are committed to minimizing any inconvenience and ensuring that work is carried out efficiently and safely.

**Purpose of Construction:**

The project aims to update and expand utilities, including **sewer main replacement** and **storm drain facilities**. Additionally, new hot mix asphalt, curb and gutter and sidewalks will be installed to improve pedestrian safety.

**Important Notes:**

- Construction hours will be **7:00 AM – 6:00 PM**, Monday through Friday.
- Access to **residential areas** will remain available, although **parking** might be temporarily relocated.
- We are taking every step to ensure the safety and convenience of the community. Please comply with posted signs and instructions during this time.

We encourage residents to contact **JR Construction or The City of Omak** if you have any questions or concerns regarding the project. Further information and updates can also be found at the City of Omak website at [omakcity.com](http://omakcity.com). We appreciate your cooperation and understanding as we work to improve the local infrastructure.

Thank you for your attention to this important matter.

Sincerely,
